ATTN: Hoke County Residents

The Hoke County Animal Shelter would like to announce that we will be opening the animal shelter on Saturday's from 8 am – 5 pm. This is an attempt to increase adoptions and public awareness as to where the shelter is and what we actually do. These hours will become effective as of September 4th, 2010 and will run through September 25th, 2010. During these hours the shelter will be open for adoptions, drop-offs (county residents only), and stray reclaims. If the adoption numbers pick-up these hours may become permanent. If interested in adopting please feel free to look at pictures of our animals at <http://www.hokecounty.net/county-departments/shelter/>.

Sincerely,

**Carl Yonge
