

EMPLOYEE OF THE YEAR 2011

Sheila Campbell is the glue that holds the CPS & Foster Care units together. She is the 'go-to' person in the CPS/Foster Care Units; if she doesn't know, she will find out the answer in no time. She consistently meets deadlines and completes her work accurately and efficiently. Sheila is always willing to stay late to assist the Social Work staff in completing petitions, court summaries, etc., going above and beyond what is expected of her.

Sheila keeps track of case loads, foster families, foster children, and when court cases and meetings are due; she is not required to do this, but does it because it helps the units to be more efficient.

For several years, Sheila has been the lead person to organize the collection of gifts at Christmas for our foster children. Without her efforts, our foster children would go without many things during the holidays.

Sheila is a team player amongst all of the clerical staff. She has always been willing to back up co-workers, change her schedule when needed to assure agency coverage, rotate flex days, and help out pretty much whenever and wherever it is needed in the agency.

Sheila also assists the agency attorney when needed—filing, copying, typing orders, etc.

Without Sheila's tireless dedication to her job and her constant smile and cheerfulness, child welfare would be in a world of hurt!
