

NOTICE

Effective **July 1, 2011** Hoke County will expand its Recycling Program to include those items banned by the State of North Carolina's new Electronic Recycling Law.

This law bans landfill disposal of computer equipment and televisions in all landfills in North Carolina, but in an effort to be pro-active, Hoke County will also collect for recycling the following:

Printers	Cell Phones
Projectors	Radios and Walkie Talkies
Fax Machines	Keyboards
Scanners	Mice
Copiers	UPS and Batteries
VCRs and DVDs	

Recyclable electronics will be accepted at the five (5) Convenience Centers and the Transfer Station.
