

County of Hoke Annual Performance Report

JULY 1, 2022 – JUNE 30, 2023

I. General Information

Facility/System Name: Hoke County Wastewater Treatment Facility

Responsible Entity: EnviroLink, Inc.

Person in Charge/Contact: Tony Baldwin

Applicable Permit(s): NC0089176 AND WOCS00352

We are pleased to present your Annual Wastewater Report. The Clean Water Act of 1999, passed by the North Carolina General Assembly, requires Utilities to provide an annual report to their wastewater customers. This report summarizes the performance of your wastewater treatment plant and collection system over a 12-month period (July 1, 2022 – June 30, 2023).

Description of Treatment System:

1.5 MGD wastewater treatment facility with the following components:

- Mechanical and automatic bar screens
- Influent Pump Station
- Dual React Basins
- Dual Catch Basins
- Two (2) ABW traveling bridge filters
- UV disinfection system (dual channels)
- Lime, Glycerin, and Alum chemical feed systems
- Effluent cascade aeration
- Aerated sludge digester/holding tank

The Hoke County Wastewater Treatment Facility is located at 736 Ellis Road, Lumber Bridge, North Carolina, southeast of Raeford, North Carolina.

II. Performance

Wastewater Treatment Facility (NC0089176)
